

AGENDA

November 4, 2009

1. Certificates
2. Participants for Algebra Support Grant - Materials to pass out
3. Our guest presenter will be Tonya Hancock from Texas Instruments. She will be bringing in TI-Nspire technology. She will showcase the latest mathematics technology updates in the TI-Nspire Teacher Edition software and will give us the opportunity to get our own license (our gift for attending)! This will be a hands-on session with loaner handhelds provided.
4. We have the opportunity to host a Blue Ribbon TI training next summer. What is your opinion?
4. Dates for Spring 2010 Meetings
5. Other Items?

Check out the Blue Ribbon Web Site at <http://www.blueribbon.ws>

Please update/edit information by sending Laura email so that it can be sent on to the Webmaster
